

St. Paul's School – Parent Teacher Group

Statement

The St. Paul's School Parent Teacher Group (PTG) is a volunteer based organization whose goal is to foster a forum where open dialogue between parents and staff is encouraged and supported. It is the mission of the PTG to work in conjunction with both parents and school staff to provide a comprehensive, enriching, and collaborative educational experience for the students of St. Paul's.

The PTG provides support to the school by raising money to fund selected classroom activities, necessary supplies, donations, teacher grants, school programs, improvements, and much more. The PTG activities held throughout the year are made possible by the volunteer efforts of both parents and staff. The success of each PTG activity is dependent upon the charitable efforts and ingenuity of our St. Paul's community.

The 2011-2012 PTG Board seeks to continue the endeavors of past PTG Boards in improving the overall educational experience for our students. The measure of the success of the St. Paul's PTG is dependent upon the willingness of parents to become involved. A wide array of volunteer opportunities is available and parent participation is both needed and encouraged to reach our goals.

This is your PTG. No contribution is too small. Together we can make a measurable difference for our children. Together we can provide the means for our students and staff to achieve the highest quality educational experience.
