

eScrip is a program that you join—at no cost to you—in order to have our local merchants give a percentage of their profits to St. Paul’s Elementary School. You pay the same retail prices; the merchant at its expense, shares some of its profits with our schools.

Here's how you can help raise the most money for our school:

- Sign up for eScrip, our Group Number is 137700353. Ask relatives/neighbors/friends to sign up, too!
- Keep your eScrip account up-to-date (invalid/outdated cards raise \$0.00)
- Sign up for an eScrip Visa card (earns 2% of donations wherever you shop)
- Always use the eScrip Online Shopping Mall (more merchants, higher percentages for donations)

For more information, read the Frequently Asked Questions, below.

How can I find out much I have earned for our schools via eScrip?

Monthly statements are available online by accessing “My eScrip”:

- 1 Click here to log in to My eScrip .
- 2 Type your eScrip email address, phone number, or a card you registered with eScrip. Click Enter.
- 3 Click on “My eScrip” and/or type your password. If you forgot your password, click here.
- 4 Click on “View my monthly purchase reports.”

I use my credit/debit card a lot; why are my eScrip earnings so low?

The more cards you register, the more money you usually generate for our school. Do you have a grocery card and several credit/debit cards registered? The most common cause of a low monthly statement is invalid credit/debit cards. Each time you receive a replacement card in your mailbox (e.g., after you report a lost/stolen card), you need to

fix that card number in eScrip. Go to My eScrip to update (fix) your registered cards. You can generate additional donations by registering for an eScrip Visa Card, or by shopping via the eScrip Online Mall.

What is the eScrip Online Mall?

When you buy products via the eScrip Online Mall, our school will earn up to 16% from 1000+ name brand merchants:

- Shop from the same websites you know and trust.
- Shop ANONYMOUSLY.
- Pay exactly the same prices as you normally do.

Please ask EVERYONE you know to shop the Online Mall to benefit our school! It costs nothing, shopping is anonymous, and our school receives FREE money!
