

St. Paul's Elementary School has some exciting news! We restarted the **eScrip Recycling Program**. This program is FREE and provides a convenient location for collecting laser, inkjet cartridges, used cell phones, iPods and laptops while raising funds for our school.

How the program works: a collection bin, clearly marked and accessible during normal school hours, will be placed at in the main lobby of the school. You can drop off your recyclable cell phones, cartridges, iPods and laptops whenever it's convenient for you. Periodically, our school will mail the items collected at our school to the **eScrip Recycling** offices. **eScrip Recycling** will then deposit funds electronically in our groups account!

Did you know that every second of every day nine ink cartridges are thrown away? Help us turn this waste into CASH! Please donate your cell phones, cartridges, iPods and laptops by placing them in the collection bin in the main lobby of the school, just inside the front entrance.

Not only is this an easy way to raise funds, it also teaches our students valuable lessons about the variety of materials that can be recycled and it helps them develop life long patterns.

This program will not be successful without the support of the St. Paul's community and people like you. Thank you for your help in recycling.

Sincerely,
St. Paul's eScrip Coordinator
