Principal's Message:

Dear Parents/Guardians,

This weekend we remember both the Solemnity of the Ascension and the Memorial Day Observance.

The Solemnity of the Ascension reminds us that Jesus lives in glory with his Father while at the same time he lives with us on earth. This feast reminds us that Jesus is risen and he is very close to us.

Memorial Day is a day to pray for members of the armed forces who dies while serving our country. Since 1868, Americans have taken this day to honor those who have died and to pray for world peace.

Sincerely,

Arleen Guaraglia
Principal

Request for Blood Donors:

0+ Blood Donors Needed: There is a parent in the St. Paul's Community who is in need of 0+ blood donations, due to frequent blood transfusions. Please review the enclosed flyer. If you, or someone you know is 0+, we would like to create a pool of donors to commit to donating blood in the coming weeks and months over the summer. The need is constant and urgent, so we would like to help keep the supply at the blood bank available to him. The blood must be donated to the general supply, NOT to any account, and NOT in the family's name. Please contact me by phone or email if you are able to help. My email is mbulen@core-mark.com and our home phone is 415-585-2399. If we can organize individuals to go throughout the summer, it would be helpful to the family, and not create a rush at any one time. Blood saves lives, and the family is grateful for your generosity. If you are not 0+, please consider a blood donation on August 13 at the Parish Blood Drive.

The rarest blood is the blood not available when you need it!
