Principal's Message:

Dear Parents/Guardians:

Our third through eighth graders will be going to Church this week to receive the sacrament of Reconciliation. The sacrament of Reconciliation is a way of admitting that we sometimes act in mean or selfish ways, doing harm to others and not doing the good of which we are capable. We ask God's forgiveness and graces as we continue our Lenten journey of prayer, penance and acts of charity.

We ask that you keep the family of Michele Moreno (8th grade) in your prayers, as her great aunt, Imelda Recinos, passed away last week.

Sincerely,

Arleen Guaraglia
Principal

Quote of the Week:

*You're not obligated to win.
You're obligated to keep trying to do the best
you can every day.*

Re-Registration:

All registration forms were due last week. Those families registering only one child also had fees due last week. Families who are registering two or more children have until April 18, 2007 to hand in fees, but your paper work was due last week. If you did not send in your forms, or if you did not pay your fee when it was due, be sure to include the \$25.00 late fee in addition to your re-registration fee. Please send just one check for both the registration and the FACTS fee. Also, once you have signed the FACTS agreement, keep the pink copy for your records and send the white and yellow copies to the office. If you are opting for either the one (1) or two (2) payment plans, please sign the tuition agreement which we will send to you and return it to the office.

Lenten Outreach:

As part of the parish community outreach program, toiletries for men and women are being collected this weekend. They will be distributed to Martin de Porres. Please support this program by bringing these items to the Rectory, or to any of the Masses this weekend.

Student Council News:

March 29 Lawrence Hall of Science will be on campus for grades K – 6 for a Build It Festival. **Parent volunteers are needed for set up and to supervise activities at each table.** During these activities, students will become junior architects. The classes also need four grocery bags full of newspapers which are cut or torn along the vertical crease or fold, leaving long sheets of papers. Please contact the office if you can help. The students need your help. Please volunteer.
