## Principal's Message:

Dear Parents/Guardians:

We have come to the end of our school year. Tomorrow night we join together to celebrate the graduation of the Class of 2007. We wish them the very best as they finish one chapter in their lives and look to start another.

With the last day of school coming quickly, we will begin to celebrate the days of summer. Routines will change and there will be opportunities for new experiences.

This will be the final newsletter of the school year. There will be a mailing going home toward the end of June and then again one in August. Please be sure to read through all mailings and adhere to any deadlines posted.

Best wishes for a pleasant summer.

Sincerely,

Arleen Guaraglia  
Principal
