**Principal's Message:**

Dear Parents/Guardians:

Happy New Year to all! I hope your new year is off to a good start. It is hard to believe that while we are beginning a new year, our school year is finishing the first semester next week on January 18<sup>th</sup>. Many activities are happening. We just finished our first round of incoming Kindergarten testing. The candy sale will begin next week. Many classes will be going on special field trips as we move through January and February.

Again, I hope the new year will bring happiness and good health to all.

Sincerely,

Arleen Guaraglia  
Principal

**Q** is for QUESTIONS.

Find out what is on your child's mind by asking questions.

- Ask specific questions. Your child is more likely to have an answer to *Who did you play with at recess?* than *How was your day?*
- Ask open-ended questions. *How did you do that?* or *What would happen if...?* questions will yield more information than questions that can be answered in a word or two.
- Help your child develop critical thinking skills by responding to his or her questions with questions.
