Who are some of the Very Important People in our school? Our teachers, of course! Teachers plan interesting lessons, assess reading levels, grade assignments, answer questions, lead discussions, guide activities, solve problems, and settle debates. Teachers watch the playground, supervise the cafeteria, tie shoes, button coats, dry tears... Most of all, teachers care about kids. Take a little time in the week ahead to remember to thank your favorite teachers. A little encouragement can make a big difference!
