**Principal's Message:**

Dear Parents and Guardians:

Our second graders will be celebrating the sacrament of First Holy Communion on Sunday, April 27<sup>th</sup> at the 12:15 p.m. Mass. We wish all students celebrating this very special sacrament a blessed day.

April 27—May 3 is National Volunteer Week in our country. This is a good opportunity to recognize and thank the many parents who volunteer their time and talent to support our school. We all appreciate your assistance and hope you will continue to be involved with school activities. Your work on behalf of our students and staff really make a difference. Thanks for your dedication and efforts.

Sincerely,

Arleen Guaraglia  
Principal

### **St. Paul's Family Buddy Program:**

The Parent Group is once again sponsoring a family buddy program to welcome new families into the St. Paul's community. This was very successful last year, as new families and their children got to meet St. Paul's families in advance of the school year, so that the children could see a familiar face on the playground that first day of school, and new families could learn more about St. Paul's through existing families. The Parent Group is seeking existing St. Paul's families to act as "buddies" for the new families. Service hours are credited. The information/sign-up flyer was sent home in last Wednesday's family envelope. If you need another copy, please call the office. Thank you.

### **Cinco de Mayo at St. Paul's:**

The Men of St. Paul's will team up with Club Latino to sponsor the annual St. Paul's Cinco de Mayo Dinner/Dance on Saturday, May 3<sup>rd</sup> in the Parish Hall. A flyer was sent home in last Wednesday's family envelope. Come out and support both of these fine groups and enjoy delicious food (catered by La Corneta), music (live and DJ), and dance. Tickets are available in the Rectory and the school office.

### **Yearbook Orders:**

Yearbook orders are due next Wednesday, April 30<sup>th</sup>. Please do not miss out on enjoying the memories of the past year. Extra forms are available in the office.

### **Spring Book Fair:**

Volunteers are still needed for the upcoming Book Fair. Please check your schedules and contact Ms. Olivo if you are available to help. Remember, service hours will be given. Thank you.

A bald eagle may use the same nest year after year. Each year, it might add more twigs and branches to the nest. One bald eagle nest that was used for many years was found to weigh more than two tons!

An eagle can spot a rabbit from about 1 mile away.
