Haitian Relief:

Next week the theme of our January 27th mass has shifted to Haiti. We will come together as a school community to pray for the people in Haiti, especially helping children in need. The devastation caused by the 7.0 earthquake in Haiti is almost incomprehensible. The human suffering in one of the world’s poorest countries has mobilized nations and people around the globe. Here at St. Paul’s School we want to join in the relief efforts of Catholic Relief Services.

If families would like to contribute, please send your donation to school in an envelope marked “Haitian Relief”. Donations that we receive will become part of our Offertory Procession at Wednesday’s Mass.

As always, our families have been extremely generous and we thank you in advance for any contribution you will make.
