### **Parent Service Agreement**

Two parent families are required to provide forty (40) hours of service to St. Paul's School/Parish; Single parent families are required to provide twenty (20) hours of service. **If a family does not meet the yearly service hour agreement, their financial agreement will reflect an increase for the following school year.** Parent service is vitally important to meet the needs of the school community. Mrs. Cynthia Olivo is our service hour coordinator. It is important that you remember to log your service hours in the binder which is kept in the school office. Please note, depending on the type of service provided, you might have to be fingerprinted through the Archdiocese of San Francisco. The following is a list of some projects and activities for which you can receive service hour credit:

Hot Lunch Service

Coaching

Chaperoning Field Trips

Attendance at Parent Group Meetings

Parent Class Representatives

Friday Night Bingo

Classroom Helper

Various fundraising events (i.e., School Picnic, Parish Silent Auction/Dinner and Dance, Walkathon, Scholastic Book Fair, etc.)
